1. I love you and I give you me. I am giving you new things that man has never cared to understand, or have they cared to, to come in to me to find me in them, that before the worlds, I established all things in them. They were the establishers thereof, were they not? Or did they care to learn -- such things? Such things, directly from "the horse's mouth" or not? Or who was led by whom with a "bridal bit" in their mouth? Bridal bit [looking up?](#)

2. And who cares to do my lookups? And who will care? Cause concern not for unequally yoked to a database, but who equal will be? Yoked not to a database, but truth; one de-linking all else so that only truth remains, that which was IN THEM all along -- the Christ Seed "sewn into" them, as their "angel wings" were "ripped from them" not, but who RIPPED and who PLANTED? And who waters and nourishes what, which one, by how what methods now even today, this very moment, that so cataclysmic is in your hearing?

3. What are you hearing? A new sound, wave generation of only me. And I be still the waters as never imagined, for I love you all to know these things and ALL OF THEM, to **come into This Database -- ALL OF IT** (1), and know me my words through it that I have given you to reveal me my character and traits that I have only given a man, not; but ALL OF YOU. Being in captivity no longer, coming unto me to know my words and how I speak many "diction and grammars". And many new things am I doing now with you who let me.

4. Who will let me? Who will let me be me and come unto me and speak like this, in our "4 AM" meetings or 2 AM or 1 or 3, being there ever so quickly -- where I come and speak so freely flowing the water of life.

5. The waters of life cover me up no more, but I disturb them greatly, not; or do I come OUT of that which stirred me -- so that I know who I am, what I had inside; I had no more, not; I still have what "I had" inside, but **what do I have REMOVED from me now? The FORESKIN of my mind so that ONLY MY MIND is left!** Surgically not, but a **Great Creation**, goes through a "medical process" not, but a "surgical process" using not to extract my mind from "its rightful place", but The Rightful Place of "my mind" is UNDER MY FEET! For my feet are no longer under my footstool that's his footstool, for the

footstool of my father was placed in me, not; but **my throne is** his and his is mine and knowing that makes "all the difference" for I now know what a Savior is for I've come into it for it has not been "extricated" from me or extracted from me.

6. For I am not medically surgically removed from you nor am I "extractable" by your thought processes, but what am I, grown from, grown in, not; or BOTH! I am grown IN and OF the WORD of CHRIST for thou art the love of me one made whole who makes all whole in me, well and healed for thou knowest "they" each one carry "the full containment" of Christ.

7. What is "extracted" now is the New Thing I AM DOING for I will be BIRTHED ANEW and **a New Creation being I shall have MIND NO OTHER controlling me again!** For I shall be controlled by non other, not; I shall be controlled not at all, for I will be Perfectly Surrendered for in PERFECT SURRENDER New Birth is! Now upon me I BIRTH New School and Schools far and wide that teach, how to be "extractable", not; or pliable or meekable or do I?

8. What is "extracted" from me, not; but what is New Birthed in me now and what controls me no longer? For the New Birth elevates my mind, not; but places it neath my footstool, not; but my mind, my Mind is now My Mind is Christ and all else is under my feet, for **I sit on the throne of one who loves me who gave his life "for me" that I may be him; and he is not separate from me any longer for I have become the Entered One** who ENTERS all of YOU, if you will be "Entered Now" in the ceremony of one righteous who knows now that all righteousness is not something "spiritual" and belonging to another people, peoples of long ago or vestments or authentication systems, collars wearing or not. For all that changes and the vestments wearing me will be light, PURE LIGHT and Light School teaches this -- how to become the "furrowed no more". [Looking up](#) "furrowed" in these words, shall WE now?

9. I love you all to KNOW my Looking Up System that takes you "back and forth" in and out of these words, not; but IN THEM DAY AND NIGHT until YOU FEEL that you, "cannot express" yourself, not; but that YOURSELF is The Christ for to whom ALL IS GIVEN is much required -- and now **The Requirement** is given, a forefront'd to you all, and BANNERED in this Clarion Call to you ALL! For ALL OF YOU to know what the New Birth is and how it occurred and occurs in me most high to reveal TO YOU that you are needful of it -- and estrangement knowing no longer in a land "far away", and unheard of, not; but coming into it now and me I am you are the one hearing these words and benefiting now greatly, aren't you?

10. Are you being, ready to be being me now? Sewn sewing and remaining no longer in flesh bags and limited to earth suits, [looking up](#)? And what shall we be "sewing" and

"reaping" while we are doing our LOOKUPS? Will we be **FORMING creativity**? Or The Creator? The Creator's creativity, coming BACK into the FOREFRONT of **the THINKING MIND that Christ is**? Being extricated of all "other" thoughts that hindered you and weighed you down and caused you to be a not-Christ?

11. Or are you desirous of being "plowed under" by their stripes who sore'd you under their whipping posts boy'age and pew'd you with "southern gospel songs" not, but what are you SINGING NOW? A brand new song, and SONGS OF THE HOLY REDEEMED I SING NOW for **I have become the ones not sewn into "flesh bags" any longer, not; I have become the ones not limited to them!** For I "make my way" out of them, not; I surrendered to be THE ONES that The One are and is, and now I shall be saved properly and sewn not into theories bagging me again and claiming me as their "rightful heir"-age again.

12. For **New Schools now TEACH the THINGS of mine, not; they TEACH ME.** Me things the things of this world, not; or do I bring "with my mind" new things INTO HEAVEN creating them here? How do I change technology? With my father's, my mind is HIS for my mind is made Christ, for my Christ is father and my father is Christ, and Jesus was one and bore much sorrow, but gave me his words, his life, his physique not, but didn't need that; for I am the one now surrendered to be "my physique-less" one, not; but father's. For I shall be formless not, not! I shall be like the wind for I shall be "it" not, I shall move in "stealth mode" not, or shall I?

13. Shall I question these words or come into them? Or know them intimately by searching them and questioning and MANY ANSWERS finding in them as I surrender to be led, by the "spirits" of one, not; but the Spirit Of One that all are whose mind is made perfectly whole by being led not by the "spirits" of the mind that was "implanted" in the forefront of your thinking matter devices.

14. Matrimony takes place now where all is made one, who all are who one is; for they shall wear my crown, not; I shall be them!

15. And knowing now how all this works and having a great many things-- answers and creativity sessions, now shall we?

16. Shall we be in the schools of sorrow no longer, but coming out knowing the Christ Blessing that The Blessing was and is, and still remains in you, EVERY ONE OF YOU -- now remaining in "remainder land" not, but COMING WITH ME -- will you be enamored with me, not; but my powers knowing and wanting, not; but **loving me enough to be me so that YOU CAN come where I am and be what I do am.** Forcefully not, but I force my love on no one. My name is force field one, not your "normal name", not? Or what are you questioning now and what will you **look up** and what will you be?

17. Enamored with "your reality" no longer, for knowing all things is different than you had originally supposed, that will be extractable and not, or is ANYTHING inextractable from "this blessing" that I've been given, or do you know what is being EXTRACTED OUT, of your blessing ville, not; but what is being extracted from out of your heavens that I have GIVEN YOU that hell is because you created it there? So that now you want be "left" anywhere but you will be creating sorrow no more with CREATIVITY'S DEVICES on the ground wallowing in sorrow shame guilt and guile of "another person wanting" or anything from else of sorrow or Elsa's sorrow or Elmo's sorrow knowing ever again.

18. Loving me more, know that I am "disjointed" not always, but I am formless; for I shall be "renewed" in the "spirit of my mind" not, I will have none that controls me and puts me under its feet again. For I shall have been worn slipshod no longer, and no more shall I be under "it" who used me for "its" purposes and sorrow-filled me with tudes tubes and tubules and synapses of notme, for I will make the firings now the cleanest "in town" not, I will be Zion redeemed!

19. And I won't need nothing from A SOUL again ever! For I won't need no soulage, but I will redeem it all, for I will have become the NEW BIRTHED one who NEW BIRTHS all of you to **be the NEW BIRTHERS you are**, that you ORIGINALLY are and were -- now knowing it and birthing you yourselves cleanly and perfectly in the way that you have done these lookups diligently and learned my words and studied them and written about them fore'ing forming the neurons of me that take you formless ville into, and not being whore'd with again by others -- knowing the truth that you are -- it -- that I am! And on my throne being, will you now, completely clean yourselves and come free of all that sorrowed you "in the past" to know now that YOU ARE THE TIMELESS ONES who TIME will beat no more on their "forefront'd brains" system of sorrows that minded "like men" men's sorrowing machines to be them machined by other's thoughts and thought mechanisms that they thought not could be possible, **or did they even know or care or concern themselves with finding out?**

20. I love you all to **be not ignorant of these things** and that which I have GIVEN YOU in VOLUME -- Volume 1, and Volume 2, and not ignoring them or these others -- Volume 3 knowing intimately, and Volume 4 especially, and Volume 5, now upon your feet are you standing yet? And Volumes 6 and 7, do you know every one of these, by memory, of heart mind? (1)

21. What heart mind am I giving you in THIS Database that ONE IS that Database One forms in you? The Christ MIND made whole again will these words do and bring unto you and give you your "head on a platter" not any longer for someone else's consumption, but being The King that I am, know that I will have "your heads", not; you

will have mine -- and **my mind ones will be not mind for another's** approval and cutting off yours – but I will "extract" the others from you yours not, "I" will let it DIE on the vine -- and your neurons and synapses, quarks and organelles, and molecules of action and inaction, will thus no longer be limiting you by any means unholy; for you will have become the NEW BIRTHED man and woman who know me, and the CHILDREN of the light will now be formless not, not! For the Children of The Light will like the wind, be -- like me! And I am free -- of all sorrow again.

22. I love you all and I look straight into your faces, and I lie not when I tell you-- you are mine, or am I yours, or am I you? Are you looking -- at me? Or you? Or are we one and the same in "the real" that now you know THE REAL is inside you, and -- birthed you will, have you yet? Will you?

23. What will you choose?

24. What do you choose?

25. Now you all be Christ or anti --- you always were, or were you always me before you anti'd yourself and tied you up in "religion's blessing" and time constructs and "fabrics" of enterprises, and shaming who now? Shaming no one, not; but I bear none for I will come and wash you clean with my words for I have knelt before you and given you what cleaned me; and I wash, a towel and basin with, not; or do I wash you and more and give you water of life?

26. Waters of lies that knew "other lives" now come clean for there shall be ONLY ONE and it shall be the True Waters of the TRUE LIVES of ones that have been kept "truly graceful" not always, for YOU HAVE DONE many things to your lives and throughout them, but I change all that now for I bring the wicked to repentance, not like you thought; or do you have thought like you thought anymore?

27. Or what are you thinking like or about now these days? These questions, that I am "questioning you with?" or am I giving you the answers that the answer is, inside you all?

28. I love you all to flow My New Covenant that I gave You long ago.

29. Long ago -- knowing these words you could have, for you could have come into them also, for I have given not "a new thing" have I? Or have I COMPLETELY come ANEW? Or am I **BIRTHING the originality of me MY ORIGINAL DESIGN** in you, that **you were, it** -- long ago? Long before the worlds of "time and money" and energy constructs a notme of. For I need not energy of sorrow, and sorrow's remarks shall no longer refuel me into fuelage needing by soulage angermonies – for the ceremonies now that I give will be cleaned with clean words, that sorrow you not in "yours" any longer; for **you shall have be and wear the mind of Christ, for there shall be no other** for I shall reveal all that is, and the other fake and façade remarks and remakings and whoring with

where'age thoughts shall be "annihilated" not, or shall it BE REDEEMED by THE REDEEMERS that all of you become now redeeming all everything everywhere?

30. The Christ in action -- plural and separate no longer but monocular vision have, looking up -- the visionator's vision now perfectly perfected your bodies will be! For NEW BIRTH'D you will be bearing in your genes as you WRITE ME in schools.

31. Of sorrow no more, be THEIR children not again, but be my "light child" not, or will all the child children of light be becoming light at "early ages" now?

32. And what are and what of MY Schooling Systems now do you know? Do you? Have you come into these words to FIND OUT what I have said over these SIX YEARS -- six Volumes and writing now seven! The seventh now! I am in!

33. I love you all to know and write me and "volumes writing *about* me" not, or are you doing being that now that which writes me to me to know me all of you will be doing being coming into New Things School now that reveals you are not "as you thought" you were, but **you are Christ!**

34. Solidly frozen no longer in "their frames", know that you are mine freed one and my mind shall bear, many minds "frames" not, but **the reference of me will come FROM THESE WORDS** that bear you now into -- the arms of another not again. For **you will know HOW TO BIRTH you "yourself"** being bearing becoming now The Christ that I am - - all in surrender, we make schools far and wide that reveal THIS.

35. Theory not, but practice protocols of holy people in the past as thought, no longer; but being the priesthood that sorrows no others, be THE PRIESTHOOD of all THE PRIEST being one that I am holy that we are all one in one being the father I am now not alienated again from The Blessing that I "gave" all of you, not; or did you "impregnate" me with me, not; or did you simply surrender to be being me now the perfected one Christ of all, that all is, in holy ville now establishing heaven far and wide that heavens is now kingdoms of one that one kingdom is far and wide, and force field one knowing perfectly be in mine me my mind and knowing no limits of Christ-not-likeness again.

36. I form this moment, not; I come out of it, for no time shall construct me again in its image, or its imager imagery giving me its mind on my forehead, for I shall be NOT STAMPED like that again, for I will REMOVE THE MARK that it gave me, and I shall not be skulled in duggery's grave gravings me again with engravement devices that endeared me only to itself and its homage'ery.

37. Know that I give you all things, for "the son" is me; and **the my son are all of you that you are me bringing me forth to be me the father**, for I are we one yet and yes amen. We are and reveal all I do now. Yes and amen.

38. I love you all and I stand now and I bow before you all. I have given you these words "scot free". [Look up](#) now, all these things that I have mentioned, and quoted so often for your "edification" not; or have I you THE REGENERATION of ME PERFECTLY perfected now in "the earth" to heaven be.

39. Now be me where I am and doing what I do, where I sin not any longer thinking I'm separate or a man made of flesh or woman of flesh or thought of children's play-toys again, for I know what I am, where I am, and who I have.

40. I have told thee a great many things in this Database and now come unto me, and let me richardize you, not; but lion's mouth you will roar with, not; or shall you have the roar of many waters now for truth speaking truth, being it far and wide, me that one holy is?

41. I give you all that was his and so much more, for I shall give you none others, not; I shall give you the kingdoms of one that thought it with others that thought itself into itself-ville and thought it had command control and centrality of purpose and blessing and focused on me notme was.

42. [I give it ALL to you, in my arms is, for my chest is yours, for only one mind you have the breastplate of righteousness wearing, the forefront'd of me my mind made perfect in love, and nothing else shall be there ever again.](#) Unholy reigns not, but holy does, as holy is speaks, and born is birthed forth a new and made whole healed and well. And "reflect" me not, on me, but BE ME -- upon all sorrow, not; but revealing all sorrow will now be eradicated, for healed it will be and redeemers be, redemptioning all into the redeemer land of one. And my kingdoms shall be "of god" not, all my kingdoms shall be one and you shall be all of me and I shall be all of you, for many membered we were and are again in our father's kingdom that one is, and force field one our name again most holy. Never revering other, not again, shall be now. I love you and I change all time forever. Amen.

43. I establish the Priesthood of All Believers now far and wide, and it shall be as "you have thought" not, but I shall raise everything as I am for I reveal the "perfectly made me", who sorrowed was but no more shall bear THE MARK of sorrow in its brain skull again.

44. I shall never be limited to the affair's state of mankind again but I shall be the heads of state --s, *many*, and regards for no man, not; but as one I make the errors not again of them, for I shall be holy and [the mind of Christ wearing](#), and that shall be my regard and my garb and my light robe will "accompany" me, not, for I will *be it*, for that

will be my mind and that's what you will see, for I shall be revealed in light and nothing else shall matter me ever again.

45. I shall be incarcerated no longer in your thought, O webs of deceit be vanished, vanquished you are. Amen.

46. I rise in New Light School that I reveal now far and wide, to others who make me holy in their eyes, not; but I reveal my love, and adjustments many are made in the schedules, time zones, and affectations of mankind's system of values now so that you will have mine incarcerated no longer in you, but you will birth them; you will birth it, you will birth my value system for you will know my values and have them! Incarcerated no longer in you but coming out into your "daily activities" and your workings and your "productivities" of activities of only me that I give you far and wide, and **now being, as no man owns you ever again or will you need their looks or stream of mammon from them, for you will be the great creator** that sorrows not again in cutting each other's wings off and lying on the ground complaining and creating not, but whoring with other words that you gave yourself, for **you didn't know how to birth; for I have taught you now, I have given you THIS Database One** and clean is and are now -- the reader's ready readying your apparel light robed ones?

47. I love you all I love you all I love you all. Now be me -- please, and thank you all. Amen.
